

Providing high quality fiberglass reinforced plastic race bodies to off-road racing

BOATEC

BOATEC WANTS TO HELP YOU GET READY TO KICK-OFF THE 2009 OFF-ROAD RACING SEASON WITH SOME SPECIAL OFFERS

The 2008 off-road race season is behind us and we would like to thank you for your patronage and confidence in BOATEC. As the 2009 off-road race season approaches, here are a few things to help you get ready to hit the dirt:

🚩 **New 2009 Ford F150 Body with One-piece Front-end Design – Available February 1st**
Designed and crafted by the experts at BOATEC, this one-piece front-end is fabricated with light RTM closed-mold technology for consistent thickness and a smooth finish inside and out for superior fit and finish.

🚩 **Special Winter Pricing**
Place an order by March 31, 2009, and receive 15% off original prices on any BOATEC product.

🚩 **No Special Color Charge**
Place your order with a single "special" color of your sponsor and we will match the color in the mold providing a high quality finish with no painting or sanding required. Additional charges may apply for multi-color schemes.

🚩 **California Inventory**

For the convenience of our West Coast drivers, we now stock race bodies in Temecula, CA.

🚩 **Complimentary Track Delivery**

As has been our custom in the past, we provide product delivery to the track at no charge. Please order in advance so we can plan accordingly.

🚩 **Contingency Sponsorship**

We are planning on continuing our contingency sponsorship program. Let us know what series you plan on racing. We offer cash or product credit.

We would like to put a picture of your truck on our website's photo gallery. Email your photos to pics@boatec.com. Any feedback, suggestions, or concerns are always welcomed. Visit our website for the latest information: BOATEC.com.

Thanks again and we look forward to another great racing season!
